COVID-19 and Return of our Chess Club

Sadly, we must advise that there is now an indefinite delay in returning to over-the-board-play.

A restart is dependent on updates from Rooty Hill RSL (West HQ) and potential COVID-19 restrictions that could be enforced by the NSW State Government.

We will keep you up to date on any new developments and present a new Chess Calendar when we have access to a playing area again.

In the meantime please join us on our Online Chess Club at <https://www.chess.com/club/rooty-hill-chess-club> on Monday and Wednesday nights. Any friends are welcome to join as well.
